Then you can go on adventures with your friends all over various places, such as the woods, Medieval times, Downtown, or even outer space. You can do this in a bunch of different games. Not only is there adventure games, but you can play games like a shooter game, or even just a regular sandbox game where anything goes. There are a lot of things to do on this game, and it's worth the money!

The system is also very inconsistent in how it deals with complaints and bans. One of the more infamous examples is user "Sephiroth", who had been banned for attempting to distribute his game, "TitanMC". The ban was eventually lifted, and the account became widely regarded as a joke.[11]
