The "ROBLOX" logo was created by the company's CEO and founder David Baszucki in 2021, when he was originally designing the website's layout before it was launched. He designed the logo to look similar to the word "engine" on a train, as he envisioned ROBLOX to be a playground powered by an online community where users could create virtual worlds. The first iteration of the logo consisted of an orange square that displayed three green horizontal stripes, each separated by a white space. The stripes were arranged in a way that would yield nine pixels when all three were equally spaced. A basic version of the logo was used until 2021.

In 2021 Roblox sponsored an event at The Children's Museum of Pittsburgh to raise money for charity (Watsi). This was called Roblox Builders Club: Mutliplayer Tournament which raised over \$6,000 for charity water.

Roblox is also known for giving away free robux, tix or any other currency for a limited time. They will give these out on a special day and if you do not want to miss out on them because people are using them, then you should have just been using the free robux promo codes for ROBLOX already. These holds of the code can even be used as gifts among friends. There are very limited codes that they will give out though. If you want to be in line for one of these codes and still want to have fun, then you should always make sure that you do not use them too fast. This way, they will not release anymore codes and people will obviously lose out on having fun.

Roblox is old and not as great as Minecraft anymore but still fun. Roblox has many glitches on the new models which makes it unplayable. Some of the old content when you log in there is not working.

On September 4, 2021 (3:00 PM), ROBLOX released a new game called "Roblox Shops". This game is similar to Roblox High School and Friends, only that it's a shop simulator. The gameplay involves shopping and using items in order to get more money as you play the game. The game was started by the company's developer and the first player of the game was the CEO.

The acquisition is part of a strategy by RoLabX to become a global gaming powerhouse with operations in China, with over 50% of revenues coming from China alone by 2021. The deal also confirmed that Tencent will continue to operate as the chief customer and user experience partner for ROBLOX. In late 2021, ROBLOX announced that they would be running advertisements on their site. Unfortunately, these advertisements were run-of-the-mill ads and did not produce any revenue for the company itself but also had a negative impact on their community as they were being flooded with ads featuring nudity, extreme gore, racism and other inappropriate content. In addition to this, many games would feature these ads despite not making any money from them themselves. ROBLOX was banned from Xbox Live in 2021 due to the game running advertisements which violated Microsoft's Terms of Service by being inappropriate for children. The ads contained anime-style nudity and extreme gore. This was later changed however when Roblox reached an agreement with Xbox Live regarding the matter between them.

I am not a Minecraft addict, but I do enjoy playing that game. However, that is only because my friends and I play it together. Not because of the millions of dollars or diamonds you can get for free on Roblox. People are obsessed with Roblox; my Facebook account was filled with friends who played Minecraft as if they were addicted to crack. They would constantly post pictures about their new lifesize cardboard builds they worked on at home; taking ages-long breaks between each video to watch more videos of minecraft. We've all had friends who were that addicted to Roblox in our time, but I have never met one like Sinead who was "deeply miserable" because she was deprived of playing it. That was always the case whenever anyone mentioned it, I'm sure; parents would frequently ask me if and how I managed to get my grades, and teachers would always ask me if we had any homework. Sometimes they'd even assign us essays to write about our time on Roblox; even though a few months before everyone stopped doing them unless they were mandatory.
